

## PBS SCIENCE RESOURCES for the CLASSROOM

The following PBS web sites are an online companion to the featured television series airing on your local PBS station. All the web sites have links to a teacher's section, which provides hundreds of media resources, support materials, and tools for classroom lessons for the preschool to early elementary grade educator. PBS resources are designed to get kids, teachers, and parents excited about learning!

For all grades:

**PBS**

PBS LearningMedia

<http://www.pbslearningmedia.org/>

PBS Teachers

<http://www.pbs.org/teachers/stem/science/>

KQED Education

<http://www.kqed.org/education>

For preschool to  
early elementary:

**KIDS**

CAT in the HAT

<http://pbskids.org/catinthehat/>
