Venn Diagram

Directions: Use a Venn diagram to compare two different topics or two different media pieces on the same topic. Write characteristics of one topic or media piece in the first space to the left. Write characteristics of the second topic or media piece in the space to the right. List characteristics the two topics or media pieces share in the space in the middle. Summarize your findings.

Topic or Media Piece #1: _____

Topic or Media Piece #2: _____

Summary:
